EXPERIENCE

Cinnamon Hotels & Resorts – Maldives Cluster

Revenue Management Intern

June 2025 – May 2026

- Managed rate parity and online distribution for 4 Maldives properties, auditing OTAs and brand channels to resolve pricing discrepancies.
- Leveraged BI tools and Excel to conduct revenue analysis and comp set evaluations, providing data-driven insights for pricing strategies.
- Analyzed market trends and competitor pricing to assist in making strategic, real-time rate adjustments.
- Utilized Opera Cloud to review reservations and rate structures, ensuring optimal inventory management and pricing accuracy.

EDUCATION

2024 – 2027

PROJECTS

ODEL Research Analysis

- Conducted business and financial analysis of ODEL PLC to identify key loss drivers and propose strategies for profitability. Used regression and machine learning models to analyze sales and expenses, presenting insights through interactive dashboards.
- Tools : Excel, RStudio, Power BI, Google Colab

Financial Ratio Analysis – Kegalle vs Mahaweli Plantation

- Evaluated financial performance using key ratios to compare profitability, liquidity, efficiency, and investment returns. Produced a comprehensive report with actionable insights to support stakeholder decision-making.
- Tools : Microsoft Excel

Revenue & Competitor Analysis – Cinnamon Hotels & Resorts

- Conducted Comp Set analysis by reviewing cancellation policies, guarantee policies, and seasonal offers (summer vs. winter) across Brand.com and OTAs to guide policy planning for the new financial year.
- Performed ADR (Average Daily Rate) gap analysis across 4 properties to evaluate year-over-year performance and support strategic pricing for the upcoming financial year.
- Tools: Microsoft Excel, Opera Cloud, Fornova RI.
